hemp

nut milk bags
sprouting bags
juicing bags

high quality hemp nut milk, sprouting, and juicing bags. each bag is hand made in our shop here in vermont and quality tested to ensure that you receive the finest product. satisfaction guaranteed.

100% hemp and highly durable, these bags are made to last! among the characteristics of hemp fiber are its superior strength and durability and its stunning resistance to mold, mildew and rot... an ideal material for use in straining nut milks and juices as well as sprouting seeds and grains. we select the finest material we can find and rigorously quality test each bag to ensure you receive a bag that will stand the test of time.

each bag comes with a nifty how-to and recipes sheet that linda created which shows how to use and care for this product, how to make juices with this bag, how to make nut milks and how to sprout. plus recipes to make things with the mash that's left over! fantastic!
